Distribution

- Linear Robotics
- Multi-Axis Gantries
- Cartesian Robots
- T-Bots and H-Bots
- Screw Driven Actuators

**CURTISS -
WRIGHT**

EXLAR®

- Linear Servo and Force - Tube Actuators
- Roller Screws
- High Torque Servos
- Integrated Actuator and Controls Package

Components

Inter-Lakes Bases

- Standard and Custom Machine Bases
- Dial Plates
- Risers, Angle Plates & Pedestals
- Cabinets & Work Cells

ROBOHAND

- Grippers & Slides
- Robotic End of Arm Tooling
- Rotary Actuators
- Robotic Tool Changers
- Power Cylinders

- Cam Operated Index Drives
- Servo Indexers
- Indexing Conveyors
- Torque Limiting Clutches

Systems

- IQ Servo Ultrasonic Welders
- Vibration Welders
- Orienting Spin Welders
- Hot Plate Welders
- Thermal Presses
- Rotary Ultrasonic System
- High Speed Bonding & Slitting

LeakMaster

- Pressure Decay Testers
- Mass Flow Testers
- Differential Pressure Decay Testers

- Pallet Based Assembly-line Transfer Systems
- Modularized Conveyor Sections
- Stein Logisitc Product Process Software
- All Electronic Modules Suitable for Clean Rooms

Moorfeed

A Division of EAS

- Vibratory Feeding Systems for orienting and singulating parts
- Heavy-Duty Centrifugal Feeders
- Inline Vibratory Tracks
- Storage Hoppers
- Escapements and Tables
